

Racism

Racism is when you call people a name like “your skin looks like poo” which is rude . Racism is also judging people by what they look like and making generalisations.

What is a racist comment!!

Not racist comments!

I much prefer polish food to english food.

You've got beautiful dark skin.

He was black and wore a red coat.

Racist comments!

Your skin looks like poo.

I'm glad that we only have white teachers at school they are much better than black teachers.

Why is racism dangerous and illegal!!

Racism is dangerous because if it gets out of hand, it can lead to serious damage to either the victim or the person who was racist and it could also lead to terrorist attacks
