

RACISM

By Toby, Tyler and Matthew

WHAT IS RACISM?

Racism is a when you make a generalisation about some ones race or country. DO NOT judge people by there skin or country it is illegal and you will get in a lot of trouble e.g you look like poo; that is not right.

E.gs Your skin is like poo, Black people are a diffrent species, White people are better then black people.

WHY IS RACISM DANGEROUS AND ILLEGAL!?!?!?

Racism is dangerous because it could start a war just from a silly racist comment.

Say no to racism

HOW CAN YOU NOT BE RACIST

The way you can racist is think about what you are saying before you say something and not say racist comments so be careful about what you say because it can be bad a racist.

HOW DOES RACISM MAKE YOU FEEL?

Gabriel: someone called me mud and that really upset me allot and I don't want to experience it again.

Matthew: someone said to me "Matthew look it's you" and they were pointing at me i, felt really offended and sad i would never want it to happen again ;' (

EXPERIENCES

One match Barcelona were taking a corner Dani Alves was taking it the fans were throwing bananas at him and calling him a monkey-he ate it! That shows that we should respect him to handle with it like that that`s amazing!
